EDUCATION

- Jabalpur Engineering College**

Jabalpur, Madhya Pradesh

B. Tech in Information Technology; GPA: 7.0/10.0

2023 – 2027

SKILLS SUMMARY

- Languages & Frameworks:** Python, C++, JavaScript, SQL, HTML/CSS, Flask, FastAPI, Docker, Git/GitHub
- AI/ML:** Large Language Models (LLM), Retrieval-Augmented Generation (RAG), Microsoft AutoGen, Azure OpenAI, Sentence-Transformers, Hugging Face
- Core:** Object-Oriented Programming, Data Structures & Algorithms, Software Design Patterns, Agile, Full-Stack Development

EXPERIENCE

- InAmigos Foundation**

Remote

AI Web Development Intern (Internshala)

May 2026 – July 2026

- Built and deployed AI-powered chatbots using Claude, integrating LLM capabilities into production-ready web solutions.
- Built volunteer registration and feedback form systems, collaborating with cross-functional teams to deliver scalable, user-centric AI applications.

PROJECTS

- MTOR – Intelligent Script-Driven IT Support** (Live Demo): Engineered multi-agent AI system using Microsoft AutoGen and Azure OpenAI to automate Tier-1 IT helpdesk operations. Implemented RAG pipeline to generate OS-specific Bash/Batch auto-fix scripts from enterprise-verified solutions. Developed asynchronous backend with FastAPI and responsive UI, containerized via Docker, deployed on Hugging Face Spaces with automated SMTP escalation for unresolved tickets. *Tech: Python, FastAPI, Microsoft AutoGen, Azure OpenAI, RAG, Docker (2026)*
- Document Chatbot using RAG** (Live Demo): Built PDF question-answering chatbot using RAG and Sentence-Transformers, handling documents up to 50+ pages with high retrieval accuracy. Containerized with Docker and deployed to Hugging Face Spaces, reducing manual document lookup time by ~70%. *Tech: Python, Flask, Sentence-Transformers, Docker (2025)*

CERTIFICATIONS

- IBM AI Developer Professional Certificate** (Nov 2025 – Mar 2026): 9-course certificate covering Generative AI, Prompt Engineering, Python for AI & Data Science, and full-stack AI development.
- Software Conceptual Design - NPTEL Elite + Silver (86%)** — IIT Bombay (Aug–Sep 2024): UML modeling, design patterns, SDLC principles, software modularity and scalability.

HONORS AND AWARDS

- NxtWave OpenAI Buildathon – State-Level Finals (Delhi NCR):** Selected as finalist, representing Jabalpur Engineering College as Team “Ignited Minds”.
- TCS CodeVita Season 13:** Global Rank 2668 in Round 2.
- JEE Main 2023:** 92.527 Percentile.
- National Cadet Corps (Navy) A Certificate:** Completed naval training programs demonstrating leadership and discipline (2018–2020).
- National Means-cum-Merit Scholarship (NMMS) Scholarship Holder.**
